[2] Based on Analysis conducted by CDETB Safeguarding Group Meeting 30.01.18

| | | Covid-19 School Response Plan made available to all staff and to students and parents/guardians on request. Relevant aspects of plan summarised and shared on website for parents/guardians and school community. | Needs to be documented |
|---|---|---|---|
| The school has in place a policy and clear procedures for one-to-one teaching activities<br><br>The school has in place a policy and procedures for one-to-one counselling | One-on-one environment is used inappropriately to detriment of staff member or student<br><br>Covid-19 School Response Plan made available to all staff and to students and parents/guardians on request. Relevant aspects of plan summarised and shared on website for parents/guardians and school community. | One on One environment is only used when appropriate to the needs of the student and in accordance with best practice guidelines to ensure safety of both staff member and student | Is this a risk, and are procedures required for this area outside children with special needs? If so needs to be documented |
| The school has in place a policy and procedures for the administration of medication to pupils | Is there a risk here? | Not special needs medication which is required on a continual basis (not SNA administration). secondary school going children should be in a position to self-administer in accordance with parents instructions? | |

Children with Special/Additional Needs (Qualify for SNAs) – Specific area of application. How we ensure Children are protected when their Special/Additional Needs are being met?

| Procedural areas which address Risks of Harm to Children: | Risks | How it is addressed ? | How is this evidenced in Larkin Community College ? |
|---|---|---|---|
| The school has an intimate care policy/plan in respect of students who require such care | Children are brought to the bathroom where they need help by appropriate personnel<br><br>* *Covid-19 School Response Plan made available to all staff and to students and parents/guardians on request. Relevant aspects of plan summarised and shared on website for parents/guardians and school community. | Policy and Procedure in relation to Special needs assistants | Needs to be documented |
| The school has in place a policy and procedures for the administration of medication to pupils | Risk of medications that are needed by children who cannot self-administer for different reasons. Medication could not be | Policy and procedure for administering necessary medication for children with special/additional needs. Not addressing normal medication for routine illnesses. | |

| | left with child unsupervised. Child doesn't get medication he/she requires when they require it due to being in school. | Record of any necessary training SNAs should be in receipt of | |
|---|---|---|---|
| The school has a Special Educational Needs policy | Yes | | |

## Taking Children off-site or facilitating off-site activities as part of programmes of education – how do we ensure they are appropriately protected in this regard

| Procedural areas which address Risks of Harm to Children: | Risks | How it is addressed ? | How is this evidenced in Larkin Community College ? |
|---|---|---|---|
| The school has in place a policy and clear procedures in respect of school outings | Risks associated with being off site, doing activities without adequate supervision or safety equipment as applicable.<br><br>*Covid-19 School Response Plan | Health and Safety Plan and external persons involved are not having unsupervised access to children. Procedures for planning school outings and while on school outings re: supervision<br><br>*Covid-19 School Response Plan | Needs to be documented Needs to include how SCC events are child protection 'proofed'<br><br>Needs to be documented |
| The school has in place a policy and procedures in respect of pupils of the school undertaking work experience in external organisations | TY & LCA – risk of children being exposed to harm due to partaking in work experience to meet curriculum requirements. Un-vetted persons having access to them and in positions of power. Pupils not getting work experience due to child protection requirements of other organisations with regard to vetting *Covid-19 School Response Plan | Procedures for sourcing, or guidelines for parents helping children source work placements. Procedures and guidelines for organisations receiving students on work placement. Permissions and knowledge of parents regarding students taking up work placements. *Covid-19 School Response Plan | Needs to be documented.<br><br>. *Covid-19 School Response Plan |
| The school has in place a Home School Liaison policy and related procedures | Risk of inappropriate persons having one on one access to children with no supervision. | Ensuring Liaison staff are appropriately vetted and not providing a service on a one-to-one basis | School Completion Policy needs to brought in here also. Who do they report to? How does CDETB have oversight of this service? |

## Children Using ICT and Mobile Phone Policy – how do we ensure they are protected in this regard

| Procedural areas which address Risks of Harm to Children: | Risks | How it is addressed ? | How is this evidenced in Larkin Community College ? |
|---|---|---|---|
| The school has in place an ICT policy in respect of usage of ICT by pupils. *Covid-19 School Response Plan and Digital Learning Plan, Acceptable Use Policy | Children are allowed access to online platforms with no supervision which puts them at risk of having access to inappropriate content, sites which facilitate predatory | Policy and Procedure for using students using ICT in school and how to promote responsible and appropriate behaviour and how to stay safe.<br><br>Programmes to build awareness. | Needs to be documented and needs to include mobile phones and other relevant smart devices e.g. smart watches<br><br>Gardai have advised previously that cyber bullying |

| | behaviour, and children engage in inappropriate behaviour in relation to their peers online while at school.<br>*Covid-19 School Response Plan and Digital Learning Plan, Acceptable Use Policy | Training for staff / Students/ Parenst/Guardians<br>*<br>**Covid-19 School Response Plan and Digital Learning Plan, Acceptable Use Policy** | outside of school did not come within jurisdiction of the school unless it started manifesting itself in the school environment.<br>**Covid-19 School Response Plan and Digital Learning Plan, Acceptable Use Policy** |

> **Important Note:** It should be noted that risk in the context of this risk assessment is the risk of "harm" as defined in the Children First Act 2015 and not general health and safety risk. The definition of harm is set out in Chapter 4 of the *Child Protection Procedures for Primary and Post-Primary Schools (revised 2023)*

In undertaking this risk assessment, the board of management has endeavoured to identify as far as possible the risks of harm that are relevant to this school and to ensure that adequate procedures are in place to manage all risks identified. While it is not possible to foresee and remove all risk of harm, the school has in place the procedures listed in this risk assessment to manage and reduce risk to the greatest possible extent.

This risk assessment has been completed by the Board of Management on **12th September 2023**. It shall be reviewed as part of the school's annual review of its Child Safeguarding Statement.
