WELCOME TO LARKIN COLLEGE

Our Mission Statement

Larkin Community College endeavours to provide the very best learning opportunities for all of our students in a safe, secure and caring environment.

Introduction

Welcome to Larkin Community College. Your child will enter this school for the first time in August. It is a very big step in the life of a young person. They will experience many changes in their school life over the next year-new school, new classmates, new subjects.

The information provided in this booklet is meant as a guide to you as a parent/guardian in helping you to ease this transition for your child from primary to post-primary school. If you have any questions please feel free to contact any member of staff.

Uniform and Equipment

We operate a school book rental scheme. School books should be kept in good condition with the student's name on them and should be brought to school as required. Students should always come to school equipped with books, copies, pens, pencils and other equipment as specified by their subject teachers.

Full school uniform must be worn every day. Each student should have a schoolbag at all times.

**Please
feel free to
contact the
school**

The School Year

A calendar, outlining the school year, will be included in the School Journal.

Please take note of holidays, breaks and days off for forward planning.

Please do not take holidays during term time.

The Student Journal

Each student will be given a School Journal. This journal should be used as follows:

- For recording homework.
- For teachers comments on students work/ behaviour.
- For notes from parents regarding absences.
- Notes from class tutor/year head.

This makes the journal a very useful means of contact between you and the school and it also provides a record of your son/daughters progress.
